CIVIL ACTION FILE  
NO. 1:16-CV-102-TWT

**ORDER**

This is a pro se Bevin's action brought by a federal prisoner. It is before the Court on the Report and Recommendation [Doc. 63] of the Magistrate Judge recommending granting the Defendants' Motion to Dismiss [Doc. 59]. No objections to the Report and Recommendation have been filed. As set forth in the thorough and well-reasoned Report and Recommendation, the Plaintiff fails to allege a plausible claim for deliberate indifference to his serious medical needs. The Court approves and adopts the Report and Recommendation as the judgment of the Court. The Defendants' Motion to Dismiss [Doc. 59] is GRANTED.

SO ORDERED, this 25 day of September, 2018.
